

## Accessing IUPUI Library Resources & Assistance

**CONNECTING** – to access ALL subscribed IUPUI library databases and pdfs

- For On-campus access – register your computer
- For Off-campus access – install VPN software and log in to **VPN** before each library session

**LOCATING** – to find what's out there (beyond Google & PubMed)

- Begin at Library website
- Use IUPUI database links for Nursing
- Use “Find It” when pdf not in the database

**IMPROVING** – to search more efficiently & save time in the long run

- Get tips from tutorials
- Meet with a librarian (1-2 hour personalized coaching)
- Quick trial run → Plan your search → Detailed search

**REQUESTING** – to get non-IUPUI pdf's (for free!)

- Use Find-It's “Interlibrary Loan” link
- Use Library home page's link for “Interlibrary Loan” or “Request Articles & Books”

(For details, see next pages)

**Library information for Nursing: [www.ulib.iupui.edu/subjectareas/nursing](http://www.ulib.iupui.edu/subjectareas/nursing)**
