

LOCATING ARTICLES USING IUPUI LIBRARY RESOURCES

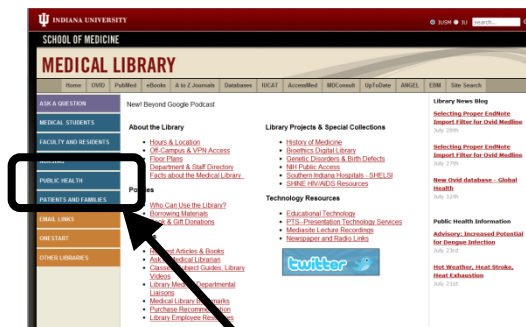

LOCATING – to find what’s out there (beyond Google & PubMed)

- Begin at Library website – (but first connect to VPN)
- Use IUPUI database links for Nursing
- Use “Find It” if database lacks desired pdf

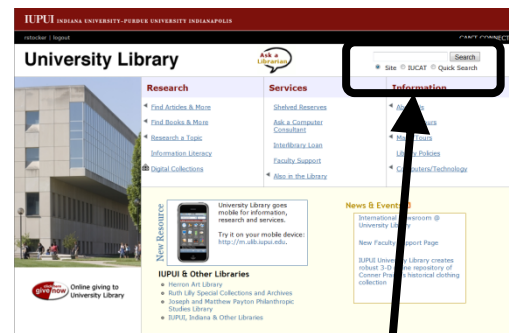

Begin at either library home page & Go to library Nursing page

library.medicine.iu.edu or

www.ulib.iupui.edu

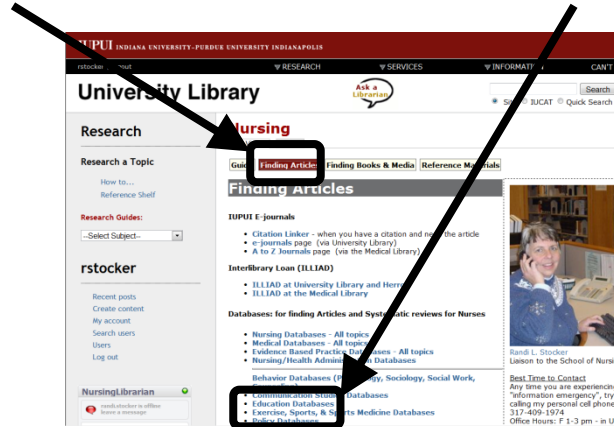

Select: Nursing

Search for: Nursing

Use “Finding Articles” and launch a nursing-related database

Library Nursing page: www.ulib.iupui.edu/subjectareas/nursing
