**Preliminary Inventory**

**UA 032**

**Qty.: 10.0 c.f. (10 cartons)**

**ABSTRACT**

Purdue University in Indianapolis originally offered credit and non-credit courses to non-traditional students focusing on updating engineering and technical training. With the formation of IUPUI these courses continued at the 38<sup>th</sup> Street campus administered by the Continuing Education Office, with closer coordination with other campus schools. The IUPUI Division of the School of Continuing Studies was created in 1975 with the system-wide creation of the IU School of Continuing Studies, with the approval of an external degree program.

Records include correspondence, reports, publications, and other materials.

**ACCESS**

Personnel and student records and other personal information in these records are restricted. All other material is open to the public without restriction. Copyright laws of the United States (Title 17, United States Code) govern the making of photocopies or other reproductions of copyrighted material.

**PREFERRED CITATION**

Cite as: School of Continuing Studies Records, Ruth Lilly Special Collections and Archives, University Library, Indiana University Purdue University Indianapolis.

**ACQUISITION**

Accessions: A82-21, A86-6, A86-21, A90-44, A95-4, UA-032.

**COLLECTION STATUS**

This preliminary inventory serves as an interim guide to the described records. A finished finding aid based on final appraisal and arrangement of the records of this university unit will be prepared at a future date.
