ABSTRACT

The School of Public and Environmental Affairs (SPEA) at IUPUI was formed as part of the Indiana University system-wide School in 1972. Pre-existing undergraduate programs on the IUPUI campus such as the Metropolitan Studies and the Criminal Justice Education programs were incorporated into SPEA at the time. Graduate programs in SPEA began in early 1973.

Records include correspondence, minutes, reports, program files, grant files, and other administrative materials.

ACCESS

Personnel and student records and other personal information in these records are restricted. All other material is open to the public without restriction. Copyright laws of the United States (Title 17, United States Code) govern the making of photocopies or other reproductions of copyrighted material.
