ABSTRACT

The Office of Planning and Institutional Improvement was created on July 1, 1992 to coordinate campus-wide planning efforts and institutional research initiatives from among the various units, schools, and offices of IUPUI. The Office includes several other planning and institutional research offices, including the IUPUI Economic Model Office, Information Management and Institutional Research (IMIR), and the Testing Center.

Records include correspondence, reports, publications, and other materials.

ACCESS

Personnel and student records and other personal information in these records are restricted. All other material is open to the public without restriction. Copyright laws of the United States (Title 17, United States Code) govern the making of photocopies or other reproductions of copyrighted material.
