ABSTRACT

IUPUI Chancellor Maynard Hine created and commissioned the ad hoc "GO Committee" to develop long-range plans for IUPUI. Chaired by School of Law Professor James P. White, the GO Committee met frequently over several years and formulated influential plans for the growth and development of the IUPUI campus, including important reports in 1971 and 1973.

Records include minutes, correspondence, reports, publications, and other materials.

ACCESS

Personnel and student records and other personal information in these records are restricted. All other material is open to the public without restriction. Copyright laws of the United States (Title 17, United States Code) govern the making of photocopies or other reproductions of copyrighted material.
